

# Love Them Both

“Love Them Both” is the Church’s response to the Gospel of Life. In particular, the mission of the Pregnancy Help Ministry of the Archdiocese of Boston helps mothers, babies and fathers in making life-affirming decisions. Parishes help play a role in promoting a culture of life and making the services of Pregnancy Help better known. *Please consider how you can be part of this response:*

- ◆ Pray for a greater respect for human life.
- ◆ Pray for the staff and volunteers of **Pregnancy Help and other pro-life ministries** and those they serve.
- ◆ Pray for an outpouring of support of and material assistance for all pregnancy resource centers to provide for their clients as they need.
- ◆ Promote the awareness of the **Pregnancy Help Ministry in your parish:**
  - ◇ Post a link on your website to the [pregnancyhelpboston.org](http://pregnancyhelpboston.org) website
  - ◇ Provide Pregnancy Help materials (pdfs are posted at <http://www.bostoncatholic.org/PregnancyHelp.aspx> for your use. If you would like printed-copies, please request and we can send them to you).
  - ◇ Invite a nurse/spokesperson is available to speak about **Pregnancy Help**
  - ◇ Sponsor a “Parish Baby Shower” (please contact the Pro Life Office 508-651-1900 [ProLifeOffice@rcab.org](mailto:ProLifeOffice@rcab.org)) or more information on what is most needed and how we can help with promotion)

*“Love Them Both” - Your help with the work of **Pregnancy Help** does more than provide clothes and material assistance. It brings God’s love to the families in great need at a very stressful time. Clients can see God in the loving care they receive:*

“I have been up at night wondering how I was going to have what I needed to take care of my baby. I had nothing. **I feel so blessed that God has taken care of me and my baby.** Thank you so much. God bless you”.

“I have a 1-year old baby and I am a single mother. Thanks to God and to Pregnancy Help my baby has lacked nothing. They have been my family emotionally and economically in these difficult times. I feel very grateful and fortunate to have found this great family who gave me so much support since I was 3 months pregnant. Those mothers who may feel alone, Pregnancy Help is there and will not abandon you. Thanks, from the bottom of my heart for taking care of my child. May God bless you always.”
