

## Thank You!

Thank you to the following parishes, schools, organizations for your support. Due to your generosity we were able to supply the people we serve with all they needed to care for their babies.

“Thank you, thank you, and God bless you. I couldn’t believe how beautiful the clothes are that you gave me for my baby. Everything was there: blankets and diapers – even the things like pacifiers, bottles and lotions. Such thoughtfulness that was put into this that you even thought of those little things. I have been up at night wondering how I was going to have what I needed to take care of my baby. I had nothing. I feel so blessed that God has taken care of me and my baby. Thank you so much and God bless you”.

## 2021 Participants

It took a very special effort to take on a shower this year. We are so grateful because more than ever people are in need.
